"The Role of Hospitality in preventing and Reacting to Child Trafficking" - EPACT USA and American Hotel & Lodging Educational Institute	This training is a 30 minute course that provides hotel staff and managers with the information that they need to identify and respond to human trafficking and the commercial sexual exploitation of children (CSE). The training program will touch on the risks that human trafficking and CSE can pose to the properties, provides information of the signs and behaviors that could indicate child trafficking, and offers steps on how to respond to the situations in a way that minimizes the risk. Audio and video clips, interactive knowledge checks, and a 10 question quiz are all involved in the program. Program participants will be awarded with a certificate of completion upon the course's conclusion. Save Our Adolescents From Prostitution (SOAP)	Volunteers and staff members with SOAP will package bars of soap with information on human trafficking and provide the National Human Trafficking Hotline Number in the package. These packages are then handed out at hotels when there is a large event that will bring a high number of out of state guests.	Grassroots Project		N/A
Responsible Business Program - Carlson	Carlson provides ongoing training for employees on how to spot human trafficking and what to do if they do encounter it. Carlson Wagonlit Travel has partnered with the State Department to educate travelers to the potential human trafficking, especially child trafficking, they could observe during their travels. These tickets also provide travelers with the National Human Trafficking Hotline telephone Number.	In- Person Training/ Ongoing Training- Business Specific		Travel
The Hotel Industry's Role in Ending Child Sex Trafficking: Be part of the Rescue - EPACT USA	Provides general information about human trafficking and the role that hotels and the hospitality industry play in the human trafficking industry. The presentation discusses ways that hotels can get involved in preventing human trafficking. Identifying and investigating cases of forced labour and trafficking - International Labour Organization	The course is targeted at law enforcement agents, primarily labour inspectors, police officers, prosecutors as well as any other actors who are likely to encounter forced labour in the course of their work: health and safety inspectors, trade union officials, NGOs, and others. Trainees develop a better understanding of what is forced labour, how to identify it in practice, how to inspect work places and how to investigate cases in order to successfully prosecute offenders. A booklet has been produced to provide law enforcement officers with operational indicators of forced labour.	Online Training - Online Course	ils-clflt@itcilo.org + 39 011 693 6626	Law Enforcement, labour inspectors, legal, social services
Child Safe Tourism	Provide tourists with information on local hotels and businesses to use while traveling through areas that have high trafficking rates. There is no "training" sessions but the information provided is by ChildSafe Tourism is very effective and has a large impact on reducing the rate of child exploitation through tourism.
